About the Director.....

Since receiving her theatre degree from S.U.N.Y. at Stony Brook, Bonnie has been a stage manager in New York, the Director of Entertainment of Hershey Park, and a twenty-year veteran of Sight and Sound Theatres. She is currently employed by Franklin and Marshall College as their Production Manager. Over the course of her career, Bonnie has produced, directed, designed and otherwise put her stamp on hundreds of productions and thousands of young people. In addition to her full-time work, she has been involved with The Lancaster Academy as a teacher and director, as well as with LBC, Servant Stage, Prima Theatre, and American Music Theatre...just to name a few. Bonnie is thrilled to be back at the Academy to direct the classic *The Lion, The Witch and the Wardrobe*, and to work with these wonderful students, and lots of "old" friends!! Special thanks to Jean and all of the incredibly talented Academy staff, crew and volunteers, to Earl for his support, and to all of the students of LBC who gave so willingly of their time and expertise to hold up her arms in this process!
